READING AND BEYOND

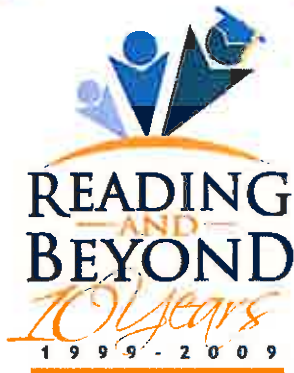

We are looking for
volunteers to help:

- 1 hour
- 2 days a week
- for 3 months

We provide one-on-one
tutoring for children who need
help with reading.

4 Reasons Children Fall Behind:

1. They cannot read.
2. Their parents don't know how to help.
3. They start school unprepared.
4. They don't eat right or get adequate physical activity.

BUILDING FOUNDATIONS FOR CHILDREN AND FAMILIES

Reading and Beyond is an organization dedicated to improving the academic success of children in Fresno County. We work with children and families, from the child's birth through high school, giving them the tools they need to be successful.

We do this through programs that prepare children to begin kindergarten, tutor school age children to grade level in reading, teach parents how to support their children in school, and help families develop healthy lifestyle habits.
